## Public Meeting

22 February at 7.30pm  
Erskineville Town Hall  
104 Erskineville Road

### **The Ashmore industrial area is being developed.**

Council proposes high density high-rise of up to **9 stories** comprising **over 3000 apartments** housing **over 6000 people** with **only 1950 parking spaces**.

This plan should concern all of us in Erskineville and beyond so please don't be complacent because you live in a different part of the area. Trains, buses, traffic, parking and quality of life will all be affected.

### **Submissions on development close 29 February 2012**

Learn more on proposed plan and how to make a submission at the public meeting and the Friends of Erskineville website:
